

MICHAELA
ŠTENCLOVÁ

PORTFOLIO

EDUCATION

MASARYK UNIVERSITY
Information studies and
librarianship (Mgr.) | 2020 - 2022
(currently interrupted)

MASARYK UNIVERSITY
Special education (Bc.) | 2016-
2020

michaela.stencl@gmail.com

I graduated in the humanities, and my work experience has also been mostly in the humanities. But there was always something missing. A few years ago, I discovered more of the IT world through IT recruiting. I started to learn frontend (HTML, CSS, Javascript), but I also got interested in software testing. I would like to find a commercial practice to fully immerse myself in personal and technological development.

SKILLS

SQL (MYSQL)
HTML, CSS
JAVASCRIPT
JIRA
CONFLUENCE

Where and how I learn: Scrimba, Skillmea, self-study through Youtube and other channels
